IAGES President's Message

Dr. S. Easwaramoorthy

President IAGES

Dear friends,

Greetings from IAGES Central Office

IAGES has now become one of the largest academic forums in the global stage of Minimal Access Surgery with close to 10000 members. Teaching, training and knowledge sharing are the key attributes of our association. **FIAGES** (Fellowship in Essential laparoscopic Surgery), **EFIAGES** (Fellowship in Basic flexible endoscopy) **FALS** (Fellowship in advanced laparoscopic Surgery in 7 subspecialties namely Upper GI, HPB, Colorectal surgery, Bariatric surgery, Robotic surgery, Hernia and Oncology) **FAGIE** (Fellowship in advanced gastrointestinal endoscopy in 4 subspecialties namely Colonoscopy, ERCP, Therapeutic Upper GI and 3rd space endoscopy) are the regular fellowship courses held periodically in various institutions across our country

Thanks to **Dr. Anil Heroor** and his **team Fortis @ Mulund**, We are pleased to bring FALS Colorectal Fellowship Course to the city of Mumbai.

FALS Colorectal Fellowship is an advanced MAS course with key lectures, panel discussions and live operative workshop to fine-tune our cognitive and technical skills in the art and science of colorectal disorders. We will be covering both benign and oncological disorders. There will also be ample time to discuss the role of colonoscopy and robotic surgery in the hands of colorectal surgeon.

All surgeons with more than 5 years of experience in this chosen specialty after MS/DNB and 2 years after MCh/DNB surgical gastroenterology/Oncology are eligible to take up this fellowship course. Successful fellowship candidates will be conferred FALS Colorectal (Fellowship of IAGES) during IAGES 2024 @Chennai on 1st to 4th February 2024. Please note IAGES membership and registration to IAGES 2024 Chennai are prerequisites to obtain fellowship certification.

Our heartfelt appreciations and best wishes to team FALS Colorectal @ Fortis, Mulund for a memorable and successful scientific event

We look forward to welcome you to the financial capital of India for this academic feast and festival

Affectionately yours.

Dr. S. Easwaramoorthy

Organizers Welcome Message

Dear friends

Greetings from the Vibrant city of India – Mumbai

It is a great pleasure to inform you that the Fellowship course in Advanced Laparoscopic Surgery (FALS) Colorectal of the Indian Association of Gastro Intestinal Endo Surgeons (IAGES) 2023 is going to be organized from 15th September to 17th September 2023 by Fortis Hospital Mumbai and GKC trust an NGO dedicated to cancer care. As you are all well aware we had a well-appreciated FALS Oncology course last year and hope to repeat the same success with the colorectal course this year.

As per IAGES vision, this course is designed to enhance skills as well as understanding to manage colorectal diseases.

FALS colorectal course is programmed with didactic lectures, debates, panel discussions, and interesting video presentations which include a wide range of topics like:

- Learning from basics like setting up a minimal access OT and nuances of colorectal anatomy for the lap surgeon to Robotic surgery
- Assess the evaluation and management of simple as well as complex colorectal problems
- Compare methods of surgical management of rectal cancer
- Describe the techniques and results of Transanal total mesorectal excision
- Discuss the methods of treatment of rectal prolapse
- Compare the methods of managing inflammatory bowel disease
- Describe advanced therapeutic colonoscopy techniques
- Deliberate the benefits of interdisciplinary management of colorectal cancer
- Present innovative tools to improve outcomes

The course is aimed at fine-tuning the laparoscopic surgical skills of practicing laparoscopic and GI surgeons. Senior Surgeons with a minimum of six years standing and experience in colorectal surgery shall be entitled to apply for Certification.

You can also register for the course without going for Fellowship and update your knowledge in the specialty.

The final attraction is the live surgery workshop by experienced and master faculties sharing tips for achieving a great surgical outcome.

We invite you for the best of academics, gourmet, fun, and social fiesta. Reserve your dates to join the grand event!

Welcome you all for this FALS
