INDIAN MYELOMA CONGRESS 2025

DEAR COLLEAGUES,

Greetings from Indian Myeloma Academic Groupe (IMAGE)!

The Indian Myeloma Academic Groupe (IMAGE) group is formed to strengthen research and create awareness about plasma cell disorders in the Indian subcontinent. It is a common platform for patients, caregivers, residents/fellows, and treating physicians.

We look forward to welcoming you in-person at the **Indian Myeloma Congress - 2025, 7th Annual meeting of IMAGE from 10th to 12th January 2025 at Tata Medical Center, Kolkata.**

This year, the Theme of the meeting is **"Multiple Myeloma - Practice Changing Advances"**, which will be addressed through many unique and innovative lenses, and our International and National speakers have stepped up to share their knowledge, experiences, and expertise to strengthen the research, create awareness in the field of Multiple Myeloma.

Indian Myeloma Congress 2025 will provide an important platform to discuss all the aspects of Multiple Myeloma, through an attractive scientific program which include state-of-the-art lectures, debates, workshops, Symposia and poster and oral presentations.

This year's conference is not one to miss. We look forward to learning together and networking. **Please block all three dates** and visit the conference website or periodic updates www.imagesociety.co.in/conference/.
