# Navigating Controversies: Unravelling Dilemmas in

# GEJ & Colorectal Cancer

Dear Esteemed Colleagues,

The Oncology Group Pune is thrilled to announce our upcoming **2<sup>nd</sup> Annual Conference**, set to take place from **31<sup>st</sup> August & 1<sup>st</sup> September 2024**, as a physical event at Hotel Hyatt Regency, Pune.

As healthcare professionals, we grapple with questions that often lack easy answers. From the complexities of diagnosis and staging to the intricacies of treatment selection and patient management, every decision we make profoundly impacts the lives of those affected by GEJ and Colorectal Cancer. With the theme of **"Navigating Controversies: Unraveling Dilemmas in GEJ & Colorectal Cancer,"** our conference mirrors the intricate challenges encountered in our daily oncology practices.

Our conference program will feature lectures, discussions and workshops aimed at addressing the challenging scenarios, controversies and issues surrounding GEJ & colorectal cancer. We are excited to present sessions such as **'How I manage my complications'** to complement our understanding and management of complex surgical procedures. We have also curated a special session for consultants featuring **"The Dream MDT"**, where difficult cases will be thoroughly discussed.

Throughout this conference, we will confront these dilemmas head-on, engaging in rigorous discourse, sharing invaluable insights and challenging our preconceptions.

We urge each of you to bring forth your dilemmas and embrace this opportunity to collaborate and actively participate in our discussions. By harnessing our collective expertise and experiences, we aim to find solutions to confidently tackle the uncertain situations encountered in our clinical practice.

We extend a warm welcome to the vibrant city of Pune for this productive, enlightening and inspiring conference experience. May our time together be marked by meaningful exchanges and lasting connections that will shape the future of Oncology in India.

Warm Regards,

**Dr. Sujai Hegde**

Consultant Surgical Oncologist  
Director, Centre for Advanced GI Oncology  
Ruby Hall Clinic  
Pune

**Dr. Chetan Deshmukh**

Consultant Medical Oncologist  
Deenanath Mangeshkar Hospital & Research Centre

## Scientific Program

Day 1 | Saturday, 31<sup>st</sup> August 2024 | Hall A

TIME	TOPIC
9:00 am - 9:10 am	<b>Chairpersons: Dr. Prafulla Pradhan, Dr. Vinod Gore</b>
	<b>Landmark Papers Colon</b> <ul style="list-style-type: none"><li>- NACT</li><li>- Multi-organ resection upfront</li><li>- Minimally invasive surgery</li></ul> <b>Speaker: Dr. Jaipalreddy Pogal</b>
9:10 am - 9:55 am	<b>Panel discussion colon</b>
	<b>1. Locally advanced Hepatic flexure with duodenal infiltration</b> <ul style="list-style-type: none"><li>- Multiorgan resection</li><li>- NACT</li><li>- Inoperability</li></ul>
	<b>2. Transverse colon mass - Early tumour</b> <ul style="list-style-type: none"><li>- Role of CVL and CME</li><li>- MIS advantages</li><li>- Adjuvant therapy</li><li>- Role of Molecular</li></ul>
	<b>Moderator: Dr. Anil Heroor</b>
	<b>Panelists: Dr. Ashish Pokharkar, Dr. Rajesh Shinde, Dr. Viraj Lavingia, Dr. Alok Goel, Dr. Bhooshan Zade, Dr. Apurva Dale, Dr. Ashwin Rajbhoj</b>
9:55 am - 10:20 am	<b>Chairpersons: Dr. Sanjay Kolte, Dr. Mahesh Sambhus</b>
	<b>Debate - Rectum</b> Wait and Watch in the Indian healthcare context <b>Speakers: Dr. Shivakumar Gudi, Dr. Ashwin Desouza</b>
10:20 am - 10:30 am	<b>Landmark Papers Rectum</b> <b>Speaker: Dr. Atul Sharma</b>

## Scientific Program

Day 1 | Saturday, 31<sup>st</sup> August 2024 | Hall A

TIME	TOPIC
10:30 am - 11:30 am	<b>Chairpersons: Dr. Mahesh Thombare, Dr. Rakesh Neve, Dr. Mahesh Pawar</b>
	<b>Panel Discussion Rectum - Locally Advanced Rectal Cancers</b>
	<b>1. Locally advanced mid rectal tumour with local infiltration and lateral nodes</b> <ul style="list-style-type: none"><li>- TNT vs Conventional treatment</li><li>- Persistent CRM positive</li><li>- Type of surgery</li><li>- Radiology</li></ul>
	<b>2. Rectosigmoid locally advanced</b> <ul style="list-style-type: none"><li>- NACT, SCRT VS LCRT</li><li>- Adjuvant therapy</li><li>- Dostarilumab/Pembrozilumab in Neoadjuvant</li></ul>
	<b>3. Sigmoid with bladder infiltration</b> <ul style="list-style-type: none"><li>- Chemotherapy vs Surgery</li><li>- Prophylactic HIPEC</li></ul>
	<b>Moderator: Dr. Swapnil Patel</b> <b>Panelists: Dr. Rajesh Shinde, Dr. Ajay Punpale, Dr. Atul Sharma, Dr. Vipul Doshi, Dr. Sonali Pingley, Dr. Shivakumar Gudi, Dr. Samir Gupta</b>
11:30 am - 12:00 pm	<b>Panel Discussion Rectum - Early/Young Rectal Cancers</b>
	<b>1. Young rectal cancer, FAP/Lynch</b>
	<b>2. Ulcerative with rectal cancer scenarios</b>
	<b>3. Villous adenoma and early rectal cancer: Role of Endoluminal surgery</b>
	<b>Moderator: Dr. Ashwin DeSouza</b> <b>Panelists: Dr. Aditya Kulkarni, Dr. Raj Nagarkar, Dr. Ashish Bakshi, Dr. Mansi Munshi, Dr. Amol Bapaye, Dr. Lakhan Kashyap</b>
