ASEAN - INDIA WORKSHOP
ON NATIONAL CANCER GRID,

"VISHWAM"

GLOBAL CANCER
PROJECT

24TH AUGUST, 2023 | TIME- 9AM -2PM (IST)

Background:

Tata Memorial Centre, Government of India, in association with Indian Mission to ASEAN, is conducting a half day workshop on best practices for oncology care and management for ASEAN countries under **VISHWAM CANCER CARE CONNECT**, a global initiative of Tata Memorial Centre, Government of India on **24th August 2023, 09:00-14:00 (IST)**. The workshop will be delivered virtually from Tata Memorial Hospital, Mumbai, India.

The focus of this workshop is to understand the existing cancer burden in ASEAN countries, the problems in delivery of cancer care and find appropriate solutions to maximize cancer care control by way of collaborations and indigenous solutions which are evidence-based, affordable and accessible.

Note:

Registration is free but Mandatory. Kindly complete the registration formalities by 17th August 2023.
