1st OCTOBER 2021 **FRIDAY**  **5:15 to 9:20 PM**

Dear Colleague,

The field of Nephrology is dynamic with constantly evolving diagnosis and treatment approaches. Regular updates are a must to stay ahead of the curve.

The 1st virtual e-DIATRANS in March 2021 garnered an overwhelming response with your support and participation. With the aim of discussing and ideating on the latest developments in the clinical arena of Nephrology, we invite you to join the 2nd Virtual Summit organised by, **Kidney-Education, Research & Awareness Trust (K-ERA)** in collaboration with Cipla, **“Mid-year e-DIATRANS 2021”**, a unique blend of knowledge and experience sharing to be held on **1st Oct, 2021 from 05.15 pm to 09.20 pm.**

The interesting programme brings together national stalwarts along with young nephrologists to provide a panoramic view of contemporaneous management practices and latest updates encompassing the spectrum of adult chronic kidney diseases.

Your participation at **“Mid-Year e-Diatrans 2021”** is bound to make the programme interesting, informative and interactive.

We look forward to your active contribution.

With kind regards,

Yours sincerely,

Dr. Manoj Singhal

Chairman K-ERA
