## IAGES President's Message

Dear Friends,

It gives me immense pleasure to welcome you all to the FALS Oncology fellowship course held between May 27 - May 29, 2022, in Mumbai.

FALS fellowship course is a wonderfully balanced course covering the technical nuances of advanced topics. It gives an overview of the potential application of MAS in oncology surgery by renowned surgeons.

IAGES is a vibrant body with more than 8400 surgeons as members. More than 3000 members have been trained under the aegis of IAGES.

Dr. Anil Heroor & team have been working hard to make this course a tremendous success. They have left no stone unturned to make it very comfortable for all the delegates.

Mumbai being the financial capital of India with lots of tourist destinations around is known for its historic significance. The weather during May is very pleasant.

Looking forward to meeting you all in person.

Regards,

**Dr. L. P. Thangavelu**

President IAGES

Chairman Ashwin Hospital,  
Coimbatore

## Welcome Address

Dear Delegates,

Oncology today forms a major part of the practice for a surgeon. Oncosurgery as a speciality has developed but there is a shortage of skilled manpower, especially in tier 2 & tier 3 cities. Even for oncosurgeons, the field of minimal access surgery in cancer is a skill that cannot be missed! Keeping this in mind IAGES brings together the FALS (Fellowship in Advanced Laparoscopic Surgery) Oncology course. It has 38 modules in various subspecialties of MAS oncology over 2 days & a surgical workshop on the third! We have tried to get together the best faculty in the field to share their knowledge, experience & skills in this first physical offline course in FALS Oncology.

The city of Mumbai needless to say is well connected & has enough hotels of various categories to make your stay comfortable.

We hope this will upgrade the skills of surgeons who wish to deliver the best to their patients!

Regards,

**Dr. Anil Heroor**

Organising Chairman - FALS Oncology  
Head Surgical Oncology,  
Fortis Hospital, Mumbai
