INDIAN MYELOMA CONGRESS 2024

06th ANNUAL CONFERENCE OF IMAGE

Indian Myeloma
Academic Groupe
(IMAGE)

Dear Colleagues,

We are thrilled to invite you to the eagerly anticipated **Indian Myeloma Congress – 2024, 6th Annual Meeting of IMAGE**, scheduled to take place from **12th to 14th January 2024** in the vibrant city of Pune.

This year, our conference theme delves into the critical mission of extending survival in Multiple Myeloma, a commitment that resonates deeply with the global haemato-oncology community. Our international and national speakers have come forward to share their profound knowledge, experiences, and expertise to bolster research and create awareness in this vital field.

We are confident that the attractive scientific program, featuring renowned speakers and opinion leaders, will provide an exceptional platform to discuss the latest developments, innovations, challenges, and opportunities in the realm of Multiple Myeloma.

What to Expect at IMAGE 2024:

- **Innovative Perspectives:** Gain fresh insights into Multiple Myeloma from various innovative angles.
- **Dynamic and Interactive Format:** Engage in dynamic discussions and interactions that foster learning and collaboration.
- **Comprehensive Scientific Program:** Explore all facets of Multiple Myeloma through state-of-the-art lectures, debates, workshops, symposia, and compelling poster and oral presentations.

This year's conference promises to be an extraordinary opportunity for professionals dedicated to advancing the understanding and treatment of Multiple Myeloma. We encourage you to seize this chance to expand your knowledge, connect with peers, and contribute to the collective progress in the field.

Join us in Pune for a memorable experience of learning, networking, and growth. Register now to secure your spot at Indian Myeloma Congress 2024.

Warm Regards,

Dr. Pankaj Malhotra
