Invitation

It is with great pleasure that we invite you for “Workshop on Bone Marrow Interpretation” on 26th March 2022 organized by Department of Pathology & Lab Medicine AIIMS Bhopal in association with Indian College of Hematology (Academic wing of ISHBT).

Bone marrow examination plays an integral part in evaluation and diagnosis of various hematological as well as non hematological disorders. A training in bone marrow interpretation is imperative for all pathology postgraduates and practicing hematopathologists. The workshop includes lectures by eminent speakers in the field of hematopathology. The highpoint of the workshop is half a day session on actual microscopic viewing of glass slides covering more than 40 disorders with an opportunity to interact with the speakers. Looking forward to your participation and hoping to provide a comprehensive learning experience.
