## Preceptorship Programme

## Eklavya-Let's Learn Together

In Collaboration with Amrita Hospital, Faridabad, Haryana

## About ISMPO

Indian Society of Medical and Paediatric Oncology is the apex body of Medical and Paediatric Oncologists in India. It was established in 1973 as Indian Society of Cancer Chemotherapist (ISCC) and was given its present name in 1983.

Among the aims of the Society, the promotion of the exchange of knowledge, the establishment of educational and research opportunities and the dissemination of guidelines and standards of professional conduct for members play a key role.

It currently has more than 600 active members and has a very vibrant academic culture.

**ISMPO has collaborated with many national and international societies like European Society for Medical Oncology (ESMO), American Society of Clinical Oncology (ASCO), and Korean Society for Medical Oncology (KSMO), International Association for the study of Lung Cancer (IASLC World Lung), American Society of Hematology (ASH), and San Antonio Breast Cancer Symposium (SABCS).**

Indian Journal of Medical and Paediatric Oncology (IJMPO) is the official journal of ISMPO and it is a bi-monthly peer-reviewed international journal published by Thieme Medical Publishers.

The journal is available in both print and online versions. We receive more than 500 manuscripts each year and are currently in the 43<sup>rd</sup> year of publishing.

## Preceptorship Programme

**Eklavya-Let's Learn Together**

In Collaboration with Amrita Hospital, Faridabad, Haryana

## Highlights of the course

- These courses will comprise a 1 day /1 and half-day lecture series.
- Interaction with Senior Faculty/Mentors in a multidisciplinary environment.
- These courses will cover all aspects of the management of a particular disease or disease group including epidemiology, diagnostics, molecular pathology, multidisciplinary treatment, and palliative care.
- Conducted every 3-4 months standalone or in association with an appropriate Oncology Institution.
- Out of all the applications received only 30 applicants will be selected for each course.
- After successful completion of the course, a certificate (and CME points where possible) will be awarded to all the mentees.

### Scientific Program

**Day 2**

**Sunday | March 26<sup>th</sup> | 2023**

12:40 pm - 01:00 pm	Follicular Lymphoma <b>Speaker: Dr. Pravas Mishra</b>
01:00 pm - 01:20 pm	Marginal Zone Lymphoma <b>Speaker: Dr. Meet Kumar</b>
01:20 pm - 02:00 pm	Lunch
02:00 pm - 02:30 pm	Mantle Cell Lymphoma <b>Speaker: Dr. Ranjit Sahu</b>
02:30 pm - 03:00 pm	Primary CNS Lymphoma (PCNSL) <b>Speaker: Dr Ranjit Sahu</b>
02:30 pm - 03:00 pm	CAR-T Cell therapy - Indian initiative <b>Speaker: Dr. Rahul Purwar</b>
03:00 pm - 03:30 pm	CAR-T Cell therapy - What clinicians need to know <b>Speaker: Dr. Prashant Mehta</b>
03:30 pm - 03:50 pm	Anaplastic Large Cell Lymphoma (ALCL) <b>Speaker: Dr. Nihar Desai</b>
03:50 pm - 04:20 pm	Peripheral T Cell Lymphomas (PTCL) <b>Speaker: Dr. Faheema Hasan</b>
04:20 pm - 04:50 pm	CTCL and Sezary Syndrome - Cutaneous T Cell Lymphoma <b>Speaker: TBD</b>
04:50 pm - 05:10 pm	Adult T-Cell Leukemia/Lymphoma (ATLL) <b>Speaker: Dr. Esha Kaul</b>
05:10 pm - 05:40 pm	Buffer time
05:30 pm - 06:00 pm	Extranodal NK/T Cell Lymphoma and Angioimmunoblastic T-Cell Lymphoma (AITL) <b>Speaker: Dr. Rayaz Ahmed</b>
06:00 pm - 06:30 pm	Aspects of Radiation in Lymphoma <b>Speaker: Dr. Rishabh Sahansi</b>
06:30 pm - 07:10 pm	Role of HSCT- Role of Haematopoietic Stem Cell Transplantation <b>Speaker: Dr. Lingraj Nayak</b>
07:10 pm - 08:00 pm	Molecular pathogenesis and Newer targets <b>Speaker: Dr. Moushumi Suryavanshi</b>
08:00 pm - 10:00 pm	Dinner
