## WELCOME ADDRESS

Dear Sir /Madam,

The Indian Society Of Medical and Paediatric Oncology (ISMPO) is pleased to invite you to its **8<sup>th</sup> National Annual Conference titled ISMPOCON 2022 to be held on 21<sup>st</sup> - 23<sup>rd</sup> Jan and 28<sup>th</sup> - 30<sup>th</sup> Jan 2022.**

This conference has different themes on each weekend striving to cover the contemporary management of rare and common malignancies.

**Theme 1:** 21<sup>st</sup> - 23<sup>rd</sup> Jan 2022 :- “Rare tumors and rare situations in common cancers : The sticky wickets in oncology”

**Theme 2:** 28<sup>th</sup> - 30<sup>th</sup> Jan 2022 :- “Sequencing old and new therapies to transform treatment paradigms”

Given the current pandemic situation, the conference will be held with a hybrid approach, i.e in-person in Mumbai and on virtual platform.

Renowned international and national faculty will be discussing cutting-edge rare cancer management, rare aspects of common cancers and therapy sequencing to enhance the quality of care. The gap will be bridged through engaging panel discussions and comprehensive tumor boards.

We have planned various branding and scientific engagement activities towards sponsorship.

You can be in touch with our event manager Mr. Pravin Agarwal (Mob.: +91 90824 84474 | E-mail : rrcg.pravin@gmail.com)

We look forward to your partnership and participation in making this a meaningful program.

Regards,
