WELCOME ADDRESS

Dear Sir /Madam

The Indian Society Of Medical and Paediatric Oncology (ISMPO) is pleased to invite you to its **8th National Annual Conference titled ISMPOCON 2022 to be held on 21st - 23rd Jan and 28th - 30th Jan 2022.**

This meeting has different themes on each weekend striving to cover the contemporary management of rare and common malignancies.

Theme 1: 21st - 23rd Jan 2022 :- “Rare tumors and rare situations in common cancers : The sticky wickets in oncology”

Theme 2: 28th - 30th Jan 2022 : “Sequencing old and new therapies to transform treatment paradigms”

The meeting will be held in a hybrid format given the prevailing pandemic situation, in person in Mumbai and the virtual platform.

Renowned international and national faculties will present the leading-edge management of rare cancers, rare aspects of common cancers and sequencing of therapies to optimize patient outcomes. Interactive panel discussions and multidisciplinary tumor boards will bridge the gap from bench to bedside.

We look forward to your participation.

Regards
